

Kitty Litter Cake

A fun cake that tastes good!

Ingredients

1 (18 oz.) box spice or German chocolate cake mix
1 (18 oz.) box white cake mix
1 pkg. white sandwich cookies
1 large box vanilla instant pudding mix
12 small tootsie rolls
1 litter box - NEW
1 plastic scoop - NEW
green food coloring
clear candy sprinkles

Preparation

Prepare cake mixes and bake according to directions (any size pans). Prepare pudding mix and chill until ready to assemble. Crumble white sandwich cookies in small batches in blender, they tend to stick, so scrape often. Set aside all but about 1/4 cup. To the 1/4 cup cookie crumbs, add a few drops green food coloring and mix using a fork or shake in a jar.

When cakes are cooled to room temperature, crumble into a large bowl. Toss with half the remaining white cookie crumbs and the chilled pudding. You probably won't need all of the pudding, mix with the cake and "feel" it, you don't want it soggy, just moist; gently combine.

Put mixture into new & clean litter box.

Put three unwrapped Tootsie rolls in a microwave safe dish and heat until soft and pliable. Shape ends so they are no longer blunt, curving slightly. Repeat with 3 more Tootsie rolls and bury in mixture. Sprinkle the other half of cookie crumbs over top. Scatter the green cookie crumbs and the clear candy sprinkles lightly over the top, this is supposed to look like the chlorophyll in kitty litter. Heat remaining Tootsie Rolls, three at a time in the microwave until almost melted. Scrape them on top of the cake and sprinkle with cookie crumbs.

Place the box on a newspaper and sprinkle a few of the cookie crumbs around. Serve with a new pooper scooper. Enjoy!
